Notes regarding file security:

Once downloaded, these files should be burned to CD for use during testing. It is important to maintain the security of the files and CDs.

Usage information:

A Spanish version of the paper/pencil test is only available in grade 3 math. Students with a read-aloud accommodation in their ELAP in grades 4-8, as well as those taking the CCRA Science and U.S. History assessments, are able to use the English version of the Math, Science, and U.S. History tests with a Spanish audio file. The Spanish audio file is formatted in MP3 which translates the English version of the items into Spanish.
